

Global Imaging Resources Purchasing Process

How to purchase re-certified equipment

1. Select the right equipment from our website, online store or direct with an equipment specialist.
2. Our payment options include:
 - Up to 100% financing with simple interest
 - Bank transfer or check
 - All major credit cards
 - PayPal
3. Your order is assigned to an experienced equipment coordinator who will facilitate:
 - Site Prep Evaluation
 - PC/Network pre-install setup
 - Installation date
 - Removal or trade-in of existing equipment
 - Local delivery

(Allow 2-3 weeks for installation after placing order)
4. Order is delivered at designated time and on the same day of installation
(All crating and shipping boxes are removed by local delivery company)
5. A technician and support team will complete installation/ calibration and basic training
(Follow-up training or technical support can be scheduled direct at SimbaSupport.com)
6. One Year of Technical Support with our partners at SimbaSupport.com
